- 2-4 extra complete outfits (please label clothing pieces, place in Ziplock bag with name)
- Small foldable bag (like a reusable shopping bag...must be able to fold flat)

**Bottles and Food:**

- Please send enough bottles for your child each day, sending extra is good just in case.
- All bottles need to be premixed, have a lid over nipple, and be labeled with the date of the day the bottles are brought along with child's name. Any unused bottles will be sent home.
- Unfinished bottles will be dumped and emptied after feedings if not finished within an hour of starting.
- We cannot wash and reuse bottles...it is a necessity to make sure have enough made for that day's use.
- Food containers need to be labeled with child's name and date. If you have a preference on what is eaten when please label it accordingly. Example: label morning, mid-day/lunch, afternoon.
- Once child eats out of a food container, we must throw it away it cannot be saved...if your child does not eat a full container at each feeding...it may be best to put into separate containers.
- Bibs are provided but you may send your own...bibs for feedings are single use only. If you would like your child to wear a bib while playing during the day, your child may do so, and it will be changed as needed...please label bibs from home with child's name.

**Diapers and Wipes:**

- You may send in large boxes of each if you would like, when they start to run low, I will give you a few days' notice...notice of these will be written on the daily sheet that will go home each day.
- If you prefer to not send large boxes, please send a sleeve in every Monday, and I will let you know when running low.
- We change obviously as needed; however, we have scheduled diaper changes every two hours.
- Please send in individual wipes for your child, these will be different than the ones listed as general supplies. (Please do not send hard box wipes, they do not fit in our diaper changing table.... soft packaging/refills with snap closure work best)
- If diaper cream is needed you may send to have on hand, a medicine form will have to be filled out prior to use.

\*Please make sure bags brought in are free of medicines, creams, hand sanitizer, Chapstick things of this nature...we are not allowed to have these in the children's bags.

\*If a bag must be left for someone else is picking up your child, all these items will have to be taken out of bag and locked away until the end of the day. We will notify you if items have been taken out so you will know to pick these up when you pick your child up at the end of the day.
