Other findings: _____

Recommendations: _____

Immunization History (Enter date each immunization received)

DTP* 1_____ 2_____ 3_____ 4_____ 5_____

Tdap (Booster) _____ Meningococcal _____ (both required for 7th grade enrollment)

*State law requires three DTP vaccines by age one; two booster doses, one the second year of life and the second to be administered on or after the fourth birthday and before enrolling in school (K-1) for the first time. If the fourth dose was administered after the fourth birthday, the fifth dose is not required.

POLIO* 1_____ 2_____ 3_____ 4_____

*Three doses of Oral Polio are required by age two and a booster dose on or after the fourth birthday and before enrolling in school (K-1) for the first time. If the third dose was administered after the fourth birthday, the fourth dose is not required.

MEASLES* 1_____ 2_____
MUMPS* 1_____ 2_____
RUBELLA* 1_____ 2_____

*A measles vaccine (MMR) is required before age two. Re-vaccination is required when a child was immunized even on day before age one. MMR #2 is required before entering Kindergarten for the first time. Dose #2 is strongly recommended by the American Academy of Pediatrics for middle school ages students who have not received a second MMR upon entering Kindergarten, but this is not a State Requirement until the student enters college.

HIB* 1_____ 2_____ 3_____ 4_____

*Required for all children entering school who were born after 10-01-88, however, no individual who has passed their fifth birthday shall be required to be vaccinated against Hemophilus Influenza.

HBV* 1_____ 2_____ 3_____

*Required by law for children born after 7-01-94.

VARICELLA (Chicken Pox) 1 _____ 2_____

I hereby certify that this child has been examined and is physically fit to attend school and that the child has received the immunizations noted above.
