

Kellogg's and Scholastic Free Books Promo

Alamance Christian School encourages you to look for Free Book Codes on specially marked Kellogg products. There is a variety of Kellogg products that will have these codes.

Please turn these in to the school office for the library. The librarian will select books for the library from those offered in the program, submit the 3 codes per book, and build our library with FREE books.

What's not to like about FREE? So help us by finding these codes, tear off the portion with the code, turn it in as soon as possible, and help us increase our books in the library

We will Redeem Free Book Codes for this program!

Keep collecting Free Book codes - or send them in now for us to redeem them. Fuel up on reading fun by helping ACS get FREE Scholastic books – some of the books offered are in series that the students enjoy.

Browse All Books.
