CALLING ALL SOCCER WARRIORS

INTENSITY • CONTROL • CONFIDENCE • ACCOUNTABILITY

June 11, 2019

Calling all soccer warriors to join the ACS coaches this summer for a focused and fun 5 weeks of soccer. This camp will be primarily focused on individual player skill development. We will introduce take home drills to get you 1500 to 2000 touches on the ball each day with the goal of helping you beat defenders and giving you confidence with the ball using both feet.

We will also have some fun learning the game of soccer and then putting that knowledge to work during the weekly 3v3 camp league.

It is very important that you R.S.V.P. to lando.b@outlook.com by June 21 if you intend to participate in the camp so we can plan properly. Include: Name of participant, age, phone, email. It's vacation season, so participants are not required to be present at every session. Although, completion of the take home skill sheet is still required to be eligible for the completion award at the end of camp. Of course, as with any sport, "no pain, no gain." Becoming a better soccer player takes commitment, so every effort should be made to be at each session if possible.

More info to follow. Please don't hesitate to call or text if you have any questions.

Thanks,
Landon Brown
