ACS SUMMER CAMP PROGRAM:

ACS does offer a summer camp program. Program details & fees are available from the Summer Camp Director.

ACS PAYMENT POLICIES

The school attempts to keep costs to parents at a minimum: therefore, prompt payment of all accounts is absolute necessary. This will enable the school to meet its financial obligations.

*All families who elect a monthly payment option **MUST** sign up to use **FACTS** for their tuition payments. You can register with FACTS Tuition Management at www.online.factsmgt.com/signin/4JP04. The only exceptions are for families who pay the full year in advance or two equal payments at the beginning of each semester.*

If payment is returned due to Insufficient Funds, your payment will be reversed on your account. Late fees and finance charges will be assessed to your account in addition to a \$25.00 charge for checks returned due to Insufficient Funds.

The school reserves the right to dismiss any student(s) whose financial obligations to the school remain unpaid thirty days after the due date (by the tenth of each month). Student records will not be released until overdue accounts are satisfied. Student transcripts will not be issued until parents make payment in full.

PLEASE NOTE: *All programs, including Pre-School, operate on a 180-day calendar year, therefore, if a student withdraws before the completion of the current school year, you will still be responsible to pay all tuition and fees through the end of the month of withdrawal and calculated on a typical 10-month payment plan. In addition, a \$125 per student early withdrawal fee will be assessed to your account.*

If unpaid accounts are delinquent after June 30 students from these families will lose priority for re-admission over new applicants. No student(s) of parents owing overdue tuition will be re-admitted the following year unless the overdue amount is paid in full by June 30, 2018. If a pattern of late payment necessitates frequent reminders, the family may be required to pay in advance by the semester to be re-enrolled for the following year.

For the 2018-2019 school year, tuition and all fees must be paid by May15, 2019, in order for a senior to receive his/her diploma at graduation.
