NEWSLETTER

Playoff Bound

Both varsity teams finished atop their respective regions and, with their outstanding records, hosted home playoff contests.

The Lady Warriors, currently **16-1**, won their playoff game and now head to the state tournament. Similarly, the Warrior soccer team is **18-1** but has one more playoff game to punch their ticket to Wilmington too.

Wish them well for a deep playoff run!

Sponsorship Success

A team of committed individuals reached a milestone for business sponsorships - the most ever received! They started working on this idea about seven years ago, and it grows annually.

This team contacted local businesses to benefit the Warrior athletic program. They have banners in the gym and, depending on their level of support, will be mentioned on social media and athletic live streams.

Next time you are on campus, take a look in the gym or the signs along the drive and then go support those who want the Warrior Legacy to continue!

Protecting our Warrior Legacy

Proverbs 16:3 - *Commit your works to the Lord and your thoughts will be established.*

True success begins with surrender. When we commit our efforts, dreams, and even our daily routines to the Lord, we are acknowledging His wisdom above our own.

What a powerful truth for all of us! Every plan, goal, and task should flow from a heart that seeks His direction. As we trust Him to guide and establish our steps, we not only walk in His purpose but also build upon the firm foundation of faith that defines who we are.

By faithfully committing our work to the Lord, we strengthen and **Protect our Warrior Legacy**.

Scan the QR code for tickets as none will be sold at the door

GIVING
TUESDAY

Donation Highlight

December 2

Go ahead and circle that date on your calendar!

We are doing something special as we try to set an ACS record for donations.

The giving process will be super easy - visiting the main website - and is something that anyone can do. As a reminder, it involves 20 and 25.

More info and videos to come!

Highlighting our Alumni

Dylan McCann (class of 2016) came back to speak for our middle/high school chapel with a focus on Matthew 19.

His wife - Rebecca - also an ACS alum (class of 2017) was able to attend, which was special for another reason. She is the daughter of Dian Frazier (class of 1982) who has worked at ACS for more than 20 years

Dylan attended Pensacola Christian College and pursued a degree in criminal justice when the Lord called him to the ministry. He now serves as youth pastor at Cherry Grove Baptist Church in N. Wilkesboro and as a chaplain with the NC State Highway Patrol.

His challenge to alumni is: "be a warrior for the Lord."
